PROXY STATEMENT FOR 2009
ANNUAL MEETING OF SHAREHOLDERS

This proxy statement and the accompanying form of proxy are first being sent to our shareholders on or about March 20, 2009 in connection with the solicitation by our Board of Directors of proxies to be used at our 2009 annual meeting of shareholders (the "Meeting"). The Meeting will be held on Friday May 1, 2009, at 10:00 A.M., Eastern Time, at the offices of Superior Uniform Group, Inc. (the "Company"), 10055 Seminole Boulevard, Seminole, Florida, 33772.

Our Board of Directors has designated Michael Benstock and Alan Schwartz, and each or any of them, as proxies to vote the shares of common stock solicited on its behalf. If you sign and return the accompanying form of proxy, you may nevertheless revoke it at any time insofar as it has not been exercised by (1) giving written notice to our Corporate Secretary, (2) delivering a later dated proxy, or (3) attending the Meeting and voting in person. The shares represented by your proxy will be voted unless the proxy is mutilated or otherwise received in such form or at such time as to render it not votable. Proxies will be tabulated by Broadridge Financial Solutions, Inc.

If the Meeting is adjourned for any reason, at any subsequent reconvening of the Meeting all proxies may be voted in the same manner as the proxies would have been voted at the original convening of the Meeting (except for any proxies that have been properly revoked or withdrawn).

The close of business on March 4, 2009 (the "Record Date") has been designated as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting. As of March 4, 2009, 6,047,260 shares of the Company's common stock, par value \$.001 per share, (the "Common Stock") were issued and outstanding. Each shareholder will be entitled to one vote for each share of Common Stock registered in his or her name on the books of the Company on the close of business on the Record Date for the Meeting on all matters that come before the Meeting.

NOTICE OF ELECTRONIC AVAILABILITY OF PROXY MATERIALS

In accordance with regulations recently adopted by the Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials, including our annual report to shareholders, to each shareholder of record, we may now furnish these shareholder materials on the Internet. On or about March 20, 2009, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access this proxy statement and our annual report and vote online. If you received the Notice by mail, you will not automatically receive a printed copy of our proxy materials or annual report. Instead, the Notice instructs you as to how you may access and review all of the important information contained in the proxy materials. The Notice also instructs you as to how you may submit your proxy on the Internet or by telephone. If you received the Notice by mail and would like to receive paper copies of our shareholder materials, you should follow the instructions for requesting such materials included in the Notice.

INTERNET ACCESS OR ELECTRONIC DELIVERY OF FUTURE PROXY MATERIALS

If you have previously signed up to receive shareholder materials, including proxy statements and annual reports by mail, you may choose to receive these materials by accessing the Internet or via electronic delivery in the future, which can help us achieve a substantial reduction in our printing and mailing costs as well as be environmentally friendly. If you choose to receive your proxy materials by accessing the Internet, then before next year's annual meeting, you will receive a Notice of Internet Availability of Proxy Materials when the proxy materials and annual report are available

over the Internet. If you choose instead to receive your proxy materials via electronic delivery, you will receive an email containing the proxy materials.

If your shares are registered in your own name (instead of through a broker or other nominee), sign up to receive proxy materials in the future by accessing the Internet or via electronic delivery at:

www.proxyvote.com

Your election to receive your proxy materials by accessing the Internet or by electronic delivery will remain in effect for all future shareholder meetings unless you revoke it before the meeting by sending a written request addressed to Joan Petronella at our offices at 10055 Seminole Boulevard, Seminole, Florida 33772.

If you hold your shares in an account at a brokerage firm or bank participating in a "street name" program, you can sign up for electronic delivery of proxy materials in the future by contacting your broker.

HOUSEHOLDING

The Securities and Exchange Commission's rules permit us to deliver a single set of annual meeting materials to one address shared by two or more of our shareholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple shareholders who share an address, unless we received contrary instructions from the impacted shareholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the Notice or annual meeting materials, as requested, to any shareholder at a shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the proxy statement or annual report, contact Joan Petronella at our offices at 10055 Seminole Boulevard, Seminole, Florida, 33772, phone: (727) 397-9611, ext. 1309.

If you are currently a shareholder sharing an address with another shareholder and wish to receive only one copy of future Notices, proxy statements and annual reports for your household, please contact Joan Petronella at our offices at 10055 Seminole Boulevard, Seminole, Florida, 33772.

VOTING ELECTRONICALLY OR BY TELEPHONE

If your shares are registered in your own name (instead of through a broker or other nominee), you can vote your shares on the Internet by following the instructions at the Internet voting website at www.proxyvote.com. Please carefully follow the directions on your proxy card. If you vote via the Internet you may be required to bear costs associated with electronic access, such as usage charges from Internet access providers and telephone companies.

To vote by telephone, you should dial (toll-free) 1-800-690-6903; you will then be prompted to enter the control number printed on your proxy card and to follow subsequent instructions. For beneficial owners, please refer to the voting instructions form.

The giving of a proxy via the Internet or by telephone will not affect your right to vote in person should you decide to attend the annual meeting or to change your vote electronically or by telephone.

We reserve the right to cancel the electronic voting or telephone voting program at any time.

If your shares are held in an account at a brokerage firm or bank participating in a "street name" program, you may already have been offered the opportunity to vote using the Internet. A number of brokerage firms and

banks participate in a program that offers Internet voting options for shares held in "street name."

VOTING SECURITIES

The Company's Bylaws provide that the holders of a majority of the issued and outstanding shares of common stock outstanding on the Record Date must be present or represented at the Meeting in order to have a quorum for the transaction of business. Abstentions (votes "withheld") will be counted as present for purposes of determining the presence of a quorum. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a "broker non-vote"). If a quorum is present and voting, the seven nominees for director receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors. Abstentions and broker non-votes will not affect the outcome of the vote on such proposal. With respect to the proposal to ratify the appointment of Grant Thornton LLP as independent auditors for 2009, an abstention will be counted as a vote against that proposal.

ELECTION OF DIRECTORS (Proposal 1)

The Bylaws of the Company set the size of the Board of Directors at not less than three nor more than nine members. The Board of Directors currently consists of seven members. Directors hold their positions until the Meeting at which time their term expire, after their respective successors are elected and qualified.

The Board of Directors recommends that seven Directors be elected at the Meeting to hold office until the Company's annual meeting in 2010 and until their successors are duly elected and qualified or until their earlier resignation, removal from office or death. The persons designated as nominees for election as director to serve the term described above are Gerald M. Benstock, Michael Benstock, Alan D. Schwartz, Manuel Gaetan, Ph.D., Sidney Kirschner, Robin Hensley, and Paul Mellini. See "Management - Directors and Executive Officers" and "Certain Transactions" for further information on such nominees. In the event any of the nominees should be unable to serve, which is not anticipated, the Board of Directors may designate substitute nominees, in which event the persons named in the enclosed proxy will vote for such other person or persons for the office of Director as the Board of Directors may recommend.

Shareholders may vote for up to seven nominees and the seven nominees receiving the highest number of votes shall be elected. Shareholders may not vote cumulatively in the election of Directors.

The Board of Directors recommends a vote "FOR" each of the nominees.

The Board of Directors has determined that each member of the Corporate Governance, Nominating & Ethics Committee is independent as defined by NASDAQ listing standards applicable to nominating committee members. The Corporate Governance, Nominating & Ethics Committee has recommended the candidates to be nominated to stand for election to the Board of Directors at the Meeting. The Corporate Governance, Nominating & Ethics Committee did not hold any formal meetings during 2008, but it did act by unanimous written consent on one occasion during 2008. The action taken by the Corporate Governance, Nominating & Ethics Committee pursuant to a unanimous written consent was subsequently reviewed and ratified by the Board of Directors.

Nominations of Directors

The Board selects the director nominees to stand for election at the Company's annual meetings of shareholders and to fill vacancies occurring on the Board based on the recommendations of the Corporate Governance, Nominating & Ethics Committee. In recommending nominees to serve as directors, the Corporate Governance, Nominating & Ethics Committee will examine each director nominee on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate. However, the Corporate Governance, Nominating & Ethics Committee believes the following minimum qualifications must be met by a director nominee to be recommended to the Board:

- Each director must display high personal and professional ethics, integrity and values.
- Each director must have the ability to exercise sound business judgment.
- Each director must be highly accomplished in his or her respective field, with broad experience at the executive and/or policy-making level in business, government, education, technology or public interest.
- Each director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience.
- Each director must be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value.
- Each director must have sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's business.

The Board also believes the following qualities or skills are necessary for one or more directors to possess:

- One or more of the directors generally should be active or former chief executive officers of public or private companies or leaders of major organizations, including commercial, scientific, government, educational and other similar institutions.
- Directors should be selected so that the Board is a diverse body.

The Corporate Governance, Nominating & Ethics Committee will consider recommendations for directorships submitted by shareholders. Recommendations for consideration by the Corporate Governance, Nominating & Ethics Committee, including recommendations from shareholders of the Company, should be sent to the Board of Directors, care of the Secretary of the Company, at the Company's headquarters in writing together with appropriate biographical information concerning each proposed nominee. (1) The Company provides the named executive officers with certain group life, health, medical and other non-cash benefits generally available to all salaried employees and not included in this column pursuant to SEC rules. The amounts shown in this column include the following: matching contributions on 401(k) deferrals, insurance premiums for a Supplemental Medical Plan, which is a fully insured hospital and medical expense reimbursement plan covering certain key management employees and their dependents, and personal automobile use.

(2) Stock-settled stock appreciation rights ("SAR's") and options for our executive officers and other key employees are granted annually in conjunction with the review of the individual performance of our executive officers. This review takes place at the regularly scheduled meeting of the Compensation Committee, which is held in conjunction with the quarterly meeting of our Board in the first quarter of each year. On January 31, 2008, Mr. Benstock, Mr. Schwartz and Mr. Demott were awarded 9,100, 6,100 and 2,100 SAR's, respectively. On January 31, 2008, Mr. Benstock, Mr. Schwartz and Mr. Demott were each awarded 10,900 stock options. The SAR's and stock options were granted with an exercise price of \$9.16 per share. On February 2, 2007, Mr. Benstock, Mr. Schwartz and Mr. Demott were awarded 18,000, 15,000 and 11,000 SAR's, respectively. The SAR's were granted with an exercise price of \$12.74 per share. Refer to Note 12 - Share-Based Compensation in the Notes to Consolidated Financial Statements included in the Annual Report on Form 10-K filed on February 27, 2009 for the relevant assumptions used to determine the valuation of our option awards. All such awards granted prior to March 24, 2008 are granted with an exercise price equal to the closing price of the common stock as reported on the American Stock Exchange on the date of grant, are exercisable at the date of grant, and expire five years after date of grant. Subsequent to March 24, 2008, awards are granted with an exercise price equal to the closing price of the common stock as reported on NASDAQ.

(3) The amounts in this column include incentive compensation earned during the respective calendar year. These amounts are paid during February of the following year. Our annual incentive bonuses are intended to compensate officers for achieving our annual financial goals at corporate levels (and for achieving measurable individual annual performance objectives). Our annual incentive bonus plan provides for a cash bonus, dependent upon the level of achievement of the stated corporate goals (and personal performance goals), calculated as a percentage of the officer's base salary. The annual incentive bonus ties incentive compensation to net earnings per share as reported in the Company's audited financial statements adjusted for certain items ("EPS"). Under this plan, the Compensation Committee establishes an EPS target that must be reached before any bonuses are earned. The target EPS is based upon the annually established financial growth plan and goal. The Compensation Committee also establishes for each participant in the plan, including executive officers, individual incentive amounts ("TIA") that may be earned, in whole or in part, depending upon whether the EPS target is reached and by how much it is exceeded during the fiscal year. At the

target EPS level, the plan participants will earn a bonus equal to 20% of the TIA. For 2009, the target bonus awards (as a percentage of base salary) will be as follows: Chief Executive Officer, 40%; Chief Financial Officer, 40%; Chairman, 40%; President, 40% and Executive Vice President, 40%. The payout continues to increase as EPS increases and there is no maximum payout for the target bonus. The EPS level for 100% payout is equal to \$0.75 per share. Pension Benefits/Retirement Plans

Since 1942, the Company has had a retirement plan (the "Basic Plan") which has been qualified under the Internal Revenue Code. The Basic Plan is a "defined benefit" plan, with benefits normally beginning at age 65, is non-contributory by an employee, and the Company's contributions are not allocated to the account of any particular employee. All employees of the Company (except employees included in a retirement plan negotiated as part of a union contract) are eligible to participate in the Basic Plan. The Company also commenced, effective November 1, 1994, the Superior Uniform Group, Inc. Supplemental Pension Plan (the "Supplemental Plan") which is available to certain eligible employees of the Company. Retirement benefits available under the Supplemental Plan are based on the same provisions as in the qualified plan but ignore the salary limitations imposed by the Internal Revenue Service (\$200,000 in 2008). Accordingly, all eligible employees,

regardless of earnings, will receive exactly the same formula distribution upon retirement. The following table shows estimated annual retirement benefits for the Basic Plan and the Supplemental Plan (the "Plan") combined, which are payable to employees of the Company upon retirement in specified compensation and years of service classifications.

The following table sets forth the actuarial present value of each named executive officer's accumulated benefit under each defined benefit plan, assuming benefits are paid at normal retirement age based on current levels of compensation. The table also shows the number of years of credited service under each such plan, computed as of the same pension plan measurement date used in the Company's audited financial statements for the year ended December 31, 2008. The table also reports any pension benefits paid to each named executive officer during the year.

Name	Plan Name	Number of Years of Credited Service (#)	Present Value of Accumulated Benefit (\$)	Payments during Last Fiscal Year (\$)
Michael Benstock, Chief Executive Officer	Superior Uniform Group, Inc. Employees' Pension Plan	25.00	268,896	-
	Supplemental Retirement Plan	25.00	182,784	-
Alan D. Schwartz, President	Superior Uniform Group, Inc. Employees' Pension Plan	25.00	451,625	-
	Supplemental Retirement Plan	25.00	211,077	-
Andrew D. Demott, Jr., Senior V.P. & CFO	Superior Uniform Group, Inc. Employees' Pension Plan	10.33	63,955	-

The Plan provides benefits based on years of service and earnings above and below the covered Compensation Base. The normal monthly retirement benefit is 17.5% of an employee's average monthly compensation during the highest paid five years of the ten years immediately preceding retirement up to his Covered Compensation Base plus 32.5% of such average monthly compensation in excess of his Covered Compensation Base, reduced in the event such employee has less than 25 years of service. An employee's compensation includes overtime pay, commissions and any bonus received and therefore includes executive officers' compensation as described in the Salary and Bonus columns of the Summary Compensation Table shown above. There is no offset in retirement benefits for Social Security benefits or other retirement plans or statutory benefits. Mr. M. Benstock and Mr. Schwartz have the maximum years of service credited. The Basic Plan was amended as of November 1, 1989. Prior to the amendment, the Basic Plan provided benefits based on years of service and earnings in excess of the Covered Compensation Base (the wage bases on which maximum Social Security taxes are payable). Benefits accrued prior to November 1, 1989 under the Basic Plan prior to the amendment would be paid, if higher than the sums set forth above.

Nonqualified Deferred Compensation

The Company has no nonqualified defined contribution or other nonqualified deferred compensation plans.

Termination or Change in Control Provisions

We have entered into retention agreements with each of our named executive officers. The retention agreements generally provide that, if within 24 months following a change in control the executive officer's employment is terminated for reasons other than for cause (as defined in the retention agreement) or by the executive for good reason (as defined in the retention agreement, including the ability for the executive to make an election within a forty-five day period beginning 180 days after a change in control), we will make a lump-sum cash payment to the executive officer equal to two times the sum of the executive officer's base salary at the rate in effect at the termination date or, if greater, the highest rate in effect at any time during the ninety day period prior to a change in control and the average of the annual cash bonuses paid to the executive during the three full fiscal years prior to the termination date or, if greater, the three full fiscal years immediately prior to the change in control date. The retention agreements also provide that we will continue to provide benefits to each executive for a period of two years after the date of his or her termination. Additionally, the agreements provide for each executive to be paid additional amounts under the Company's defined benefit plans and defined contribution plans as though they were employed for an additional two years. The current agreements expire on November 23, 2009, but are subject to automatic one-year extensions unless we give the executive officer prior notification. The retention agreements are intended to promote stability and continuity of management should the Company consider a change in control transaction.

ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC and NASDAQ. Officers, directors and greater than ten percent beneficial owners are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it and written representations from certain reporting persons that no Forms 5 were required for them, the Company believes that, during its most recently completed fiscal year ended on December 31, 2008, all Section 16(a) reports required to be filed by its officers, directors, and greater than ten percent beneficial owners were timely filed.

REPORT OF THE AUDIT COMMITTEE

The Company's Audit Committee serves to assist the Board in fulfilling the Board's responsibilities relating to safeguarding of assets and oversight of the quality and integrity of the accounting, auditing and reporting practices of the Company. The members of the Audit Committee meet the independence and experience requirements of NASDAQ and the Securities and Exchange Commission.

The Company's management has primary responsibility for the preparation, presentation and integrity of the Company's financial statements and its financial reporting process. The Company's independent auditing firm, Grant Thornton LLP, is responsible for expressing an opinion on the conformity of the Company's audited financial statements to accounting principles generally accepted in the United States of America. The Audit Committee's responsibility is to monitor and oversee these processes. In connection with these responsibilities, the Audit Committee reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2008 with the Company's management.
2. The Audit Committee has discussed with Grant Thornton LLP the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1., AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.
3. The Audit Committee has received the written disclosures and the letter from Grant Thornton LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Grant Thornton LLP's communications with the Audit Committee concerning independence, and has discussed with Grant Thornton LLP its independence.
4. Based on the review and discussions referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Proposal 2)

Although the Audit Committee has the sole authority to appoint the independent auditors, the Audit Committee will continue its long-standing practice of recommending that the Board ask the shareholders, at their annual meeting, to ratify the appointment of the independent auditors. The Audit Committee has appointed Grant Thornton LLP, independent certified public accountants, to audit the financial statements of the Company for the year ending December 31, 2009.

The Company expects representatives of Grant Thornton LLP to be present at and available to respond to appropriate questions at the Meeting. Representatives of Grant Thornton LLP will have the opportunity to make a statement if they so desire.

Shareholder ratification of the Company's independent registered public accountants is not required by the Company's Bylaws or otherwise. The Audit Committee and the Board of Directors has elected to seek such ratification as a matter of good corporate practice. If the shareholders do not ratify this appointment, the Audit Committee will consider the appointment of other auditors.

Audit Fees and All Other Fees

The following table sets forth information regarding fees paid by the Company to Grant Thornton LLP during 2008 and 2007:

	<u>2008</u>	<u>2007</u>
Audit Fees ⁽¹⁾	\$377,952	\$456,820
Tax Fees ⁽¹⁾	-	12,938
All Other Fees	-	6,342
Total Fees	<u>\$377,952</u>	<u>\$476,100</u>

⁽¹⁾ Fees for audit services include fees associated with the annual audit in 2008 and 2007 and the audit of internal control over financial reporting in 2007 and the reviews of the Company's quarterly reports on Form 10-Q. Tax fees for 2007 include fees for the review of the Company's Federal tax return.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has concluded that Grant Thornton LLP's provision of the audit and permitted non-audit services described above is compatible with maintaining Grant Thornton LLP's independence. The Audit Committee pre-approved all of such services. The Audit Committee has established pre-approval policies and procedures with respect to audit and permitted non-audit services to be provided by its independent auditors. Pursuant to these policies and procedures, the Audit Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate to grant such pre-approvals, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. The Audit Committee's pre-approval policies do not permit the delegation of the Audit Committee's responsibilities to management.

The Board of Directors recommends a vote "FOR" the proposal to ratify the appointment of Grant Thornton LLP as our independent auditors for the year ending December 31, 2009.
